Projeto Vitrola MSX desenvolvido entre 2017 e 2018.

MEMORIAL

Vitrola MSX é uma coletânea de boas e memoráveis músicas da plataforma MSX.

Cada volume do Vitrola, chamado de Slot, terá um jogo escolhido como destaque. Os personagens das capas representam estes produtos. Os jogos de capa terão suas melhores músicas agrupadas no meio do álbum. Ao redor da trilha do jogo em destaque virão músicas de outros jogos, porém apenas uma faixa por produto. Por fim, cada Slot é encerrado com um bônus, que é um tema em versão *remix*.

O Vitrola MSX tem as seguintes motivações:

- Valorizar a arte da *chip music* produzida na época.
- Por sua diversidade, apresentar alguns temas talvez não tão conhecidos.
- Embora sem qualidade profissional, resgatar e disponibilizar de forma acessível, objetiva e organizada bons temas de MSX para reviver e apreciar como quiser.
- Ser fonte de nostalgia para aqueles que não tem mais contato com a plataforma, mas a guardam, em memória auditiva, boas lembranças de uma das melhores plataformas 8 bits da história.

As músicas e imagens dos personagens aqui apresentadas são de autoria das desenvolvedoras creditadas nas páginas a seguir. Esta coletânea é um projeto desenvolvido por fãs para uso pessoal, sem fins lucrativos, homenageando seus artistas e produtoras. Não pode ser comercializado ou distribuído associado a outros produtos ou serviços.
